Location

South East, West Sussex

Hello, My name is Monica and I am looking (together with my partner Theo) for either a apartment /flat / cottage / self contained space for a monthly rent around 400 - 450 Pounds ONO?

Can I be cheeky to add, with some bills included??? In exchange we can do some garden maintenance, that is, if your place has a garden of course :-) Otherwise bills negotiable.

Both my partner and I are non-smokers, well behaved, kind, friendly and helpful. We had our own eco cabin in Ireland, so needless to say, we look after our accommodation and environment we are living in.

I recently got hired (as a customer service advisor) and I will be working in Brighton, so the place I'm looking for, hoping to find, must be close to public transport / bus/ train. Ideal would be from your place to brighton railway station within 20 -30 min? On a busy Monday morning.....

My partner is a gardener and he will also be looking into part-time work else where, with the winter months coming.

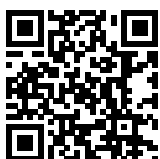

We are more nature-loving people, so living right in a busy town centre is not our first choice. However, we are open to offers, from reliable and trustworthy people, no scammers, etc.

If you have accommodation available and if you feel that we would be the right people to look after your property, please send us an email and we can provide more information, have a chat, plan a viewing etc.

Many thanks in advance,

Kind Regards, Monica & Theo,
