If you are not eligible for this course, we are still able to offer you a course which is fully funded by the advanced learner loan. This is the government loan off for people who want to study but have a credit check. Don't worry! We've got a level 2 as most of our courses are designed for beginners.

The advanced learner loan grant is easy and a great way to study without paying anything, its very similar to student finance you only start paying it back when you earn over £21k and even then the repayments are very small so it wouldn't affect you too much. If you would like more information on this please do get in touch.
