

# Professional web developer with Seo Speacialist

Web Design

Location **South West, Avon**  
<https://www.freeadsz.co.uk/x-552054-z>

I am a web developer and SEO specialist.

I have been in the business for over 7 years and always follow industry standards and latest guidelines. I am honest and easy to work with.

If you need a new website or to refresh your existing one, contact me today for a non-obligatory quote. Just reply to this ad and I will get back to you asap.

I promise the best service / user friendly website optimise for mobiles and tablets / fast turnaround. I am reliable and my prices are affordable.

In SEO I follow the latest industry standards and the latest Google algorithm updates.

I will help you achieve best results by following only the White Hat SEO practices.

If your website has already been penalise by Google, let me know and we can together set up a plan to fix the problems.

My offer include:

Web Services:

- \* Website design
- \* Website development
- \* Content Management System
- \* Responsive web layouts (mobile/tablets friendly website)
- \* E-commerce websites
- \* Graphic and logo design

SEO services:

\* SEO audit - I will check your website for possible errors and give you my recommendations what can be

fixed. I will also design

your website a marketing

strategy. I will also create and publishing

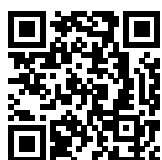

your AdWords set up and management

Google penalty recovery

Content creation.

Contact me today and you will not be disappointed.
