

Elite Arion Parabolic Rollers for Cycle Training (65 GBP)

Location

South East, Kent

<https://www.freeadsz.co.uk/x-552070-z>

These are in excellent condition and will be perfect when the weather isn't great or when you want to train inside or in safety. They really test your balance, stamina and are ideal for beginner or pro. Very smooth and easy to set up they fold up easily for storage.

Get yourself a bargain quick.

They are quite expensive new.

Website blurb follows for proper explanation.....The Elite Arion Parabolic Rollers are a great way to dial your balance and cycling line to ensure your efficiency. The Arion's tough thermoplastic frame is strong, lightweight and also allows you to fold for east storage and transportation. It however, retains key features such as a built in step for easy rider mount and dismount. The roller system improves balance and form, which builds strength, with a parabolic roller drum profile for increased confidence. The rollers feature full sealed bearings which run quietly and smoothly to allow for a pleasant
