Our aim is to introduce the ethos behind The Pauline Quirke Academy, to demonstrate what we do and how we achieve our goals, how your children will benefit from our classes and, above all, to allow your children to get a flavour of the Academy.

Following a brief introduction the children are divided into age groups and get to sample classes in Musical Theatre, Comedy & Drama and Film & Television (don't worry if your child does not want to join in at this stage, we know that some will be shy, they can just watch and possibly have a go when they're ready). Parents are welcome to stay with their children – of course this happens with the younger groups but teenagers will usually not have their parents anywhere near an unpolished performance!

During the classes parents can have some refreshments, a chat with the PQA staff, and really begin to learn what we are all about! We would also encourage spending some time sneaking a look at your children during their sessions. They really are great fun...

...I look forward to meeting you on the day!
