Who deals with maintenance and repair requests?

We will deal with all maintenance issues and repairs reported by the tenant.

How are repairs and maintenance paid for?

If a repair or maintenance job is under £250 to carry out, we will go ahead and then invoice you in your rental statement. For repairs over £250, we will give you a no obligation quote.

Where will my property be advertised?

We advertise properties on all the major lettings portals including Rightmove, Zoopla and Prime Location. We also advertise on smaller portals that are local to your property.

How are the tenant enquiries handled?

We have a management system, which means as soon a tenant requests more details about your property, we'll notify you via email and text message straight away.

What happens if my tenant stops paying rent?

If a tenant stops paying rent, we will contact the tenant to deal with what's gone wrong and if it cannot be quickly rectified, we can advise you on the best course of action to take.

Can you carry out referencing once I've found tenants?

Yes, referencing costs £75 (£62.50 + VAT) charged to the tenant (cost per tenant). We can also reference guarantors, if they're required.

Do I get a tenancy agreement?

Yes, a comprehensive, bespoke, ARLA approved tenancy agreement will be created according to your specifications.

Who registers the deposit?

We register the deposit through the DPS, TDS, or MyDeposit and keep it safe in our client account until the tenant moves out. We also have client money protection and a dedicated account.

Will you arrange a gas safety check?

We can arrange for the gas safety check to be carried out, for £99 (£82.50 + VAT) , by a Gas Safe registered engineer before the tenants move in, and the subsequent annual inspections to ensure the gas supply is safe.

Who informs the utility providers and local council when my tenant moves in?

We will contact the utility providers (water, gas, electric) and local council to give them the new tenant's details and the move-in date. The tenant will be contacted directly by the relevant providers to set up a payment plan.

How will the rent be collected?

When the tenancy is set up, we will request a standing order be put in place by the tenant to ensure your rent is paid on the agreed date every month.â€
