Welcome to CSP Family Law Solicitors a new niche firm based in Rayleigh, Essex specialising in all aspects of Family Law. Our Principal Claudia Parks has been supporting families through difficult times for over 10 years, 8 of which she was a partner at ELS & Cole Solicitors in Rayleigh and 2 of which she was a partner at ST Solicitors based in South Woodham Ferrers. Claudia has committed herself to offering a first-class service to clients across Rayleigh and South Woodham Ferrers fully understanding the sensitive nature of this type of work and fully identifying with clients. Claudia has now set up CSP Family Law which opens on 1 September 2017 and is offering free 30 minute consultations to all new clients, fixed fee divorces at just £500, no VAT payable on any fees and a competitive hourly rate for all other family law matters.

As a client, you can expect to receive a high-quality individual service, without the impersonal nature of large law firms. We are offering flexibility to clients by providing home visits at a small surcharge and out of hours appointments on request to include Saturdays and evening appointments.
