We are selling two units combined or you can purchase them individually initially purchased for £3000 at DFS Brand new.

1. 3/4 person (78 inches wide, 37 inches in depth) sofa in great condition, very comfortable cushions and pillows, bought from DFS brand new, had for 3 years.
2. Is a love seat, can comfortably fit two people, (and no doubt you will fall asleep immediately sitting on this sofa so be careful you don't have things to do!). It's on an axis so rotates a full 360 degrees and has a very large foot rest. The pillows and cushions are extremely comfortable and large in size.

On both sofa's there are no tears, rips, stains or scratches we are a couple with no children so have been lucky enough not to have to worry about accidents. Selling as we are moving home, and will be purchasing new furnishings. Looking for a quick sale, which is reflected in the price. Open to.
