Are you are looking for a handyman to do those odd jobs that you never seem to find the time to get around to doing in your home and garden?

Please find below a list of services I offer.

From small tasks to larger projects. I will do the jobs larger companies will not be interested in doing and at an affordable price.

I work to a high standard with care and attention to detail.

Depending on the job and your needs I can offer an hourly rate or a fixed price for the job.

If you would like a free no obligation quote please call me. I will usually arrange to visit you and look at the job to be able to offer you a price.

Many of my customers are repeat customers, often elderly and are always happy with my work and attitude. I can provide excellent references.

I have many years experience in both domestic and commercial work including maintaining property for the letting market.

Services I offer:

Painting & Decorating.

IKEA furniture assembly.

General DIY such as fixing curtain rails etc.

Tiling.

Garden maintenance. Including shed and fence painting/.
