

# Cube Stereo Carbon mountain bike - super light long travel (1,450 GBP)

Location **South West, Avon**

The Cube Stereo Carbon SL 160 is a very light long travel Enduro bike, coupled with a compact frame size keeps the stereo super nimble and playful

The bike is a 2015 model - so three years of riding - usual scuffs and scratches - no actual damage to the frame (just paint scuffs)

Serviced in July at Bad Ass bikes - spent £500 on fork and shock service, plus dropper post and all usual maintenance

Cost £3500 - would take £1500 (which includes post and packaging)

Will also throw in an old bike bag (just a cheap one)
