Very Heavy Minster Stone fire place, bought last year for £900 second hand as was going to fit it in our cottage, we have decided to move now , so it is for sale for £280 ono must be collected from Torquay it is very heavy , all the pieces are correct and there and the fire place has been carefully dismantled and in the garage, ready for collection .

The fire place has been advertised in another place so we have the right to with draw this item if it has sold. thank you .

cash on collection please,

measurements are: width 1460mm

height 1125mm

full depth including the hearth 550mm

opening is 480 wide height of the opening 630mm

depth of the mantle 210mm

The main picture is of the one we have now in our home now, (Obviously not for sale) we loved it so

much we wanted the same one in our next house, and so bought this one ready to go in but the chimney was not wide enough to take it. We had to make some cuts in the front of it, but in our haste we did not close them up and so being continually trying to wash out the logs, we had a great deal of trouble with loading on this end if.
