WOMEN'S KUNG FU – WOMEN'S SELF DEFENCE

What if I told you two women invented a Kung Fu system over 300 years ago?

What if I told you that it became the most efficient Martial Art in the World?

What if I said Bruce Lee studied this Kung Fu System to form his own?

What if I told you my first teacher in Kung Fu studied under Ip Man?

Ip Man taught the great Bruce Lee.

Ip Man is so famous they made countless movies about his life teaching Kung Fu.

In Man's student became a Master and taught Me

Now I can teach you this amazing, powerful, efficient Kung Fu system -

Now I can teach you this amazing, powerful, efficient Kung Fu system – Wing Chun today. Let's get more Women learning and once again Teaching Wing Chun – Kung Fu!

Let's get more Women learning and once again Teaching Wing Chun
Let's get Women empowering themselves with Wing Chun – Kung Fu

Wing Chun philosophy states 'You walk the bow, I walk the string' meaning, I walk the most direct efficient line to my target, attack goal!

Wing Chun – Kung Fu will change the way a practitioner thinks, making them more efficient, direct and achieve their goals in life. It is a wonderful, enlightening Martial Art. All this comes with one thing,.. practice.

Come and join me to practice this Kung Fu treasure. Learn this gift to pass it on. Change the way you

Come and join us to practice the Yang Fu Kung Fu. Learn the art to pass on and change the world. Feel and open up your full potential in all aspects of your approach to life and confidence. This is a weekend.
