Help wanted looking after my 8 year old TB ex racehorse. He has been coming back into work over the past 6 months after finishing racing in 2016. He is very willing, learns quickly and a great character. Very relaxed and easy to handle on the ground and riding. Plods a bit in walk but lovely trot/canter/scope to jump. He has potential; due to commitments I need help 2-3 days a week (including weekends). Based on the Hailsham Rd near Stone Cross, there is a school and lots of hacking on and off road. Small, friendly.
