Take care of all your home photo and document scanning needs with this high quality scanner. It offers high resolution scanning up to 2400 x 4800 dpi with a CIS sensor; capturing crisp text, clear photos with an exceptional level of detail and accurate colours thanks to the scanner's 48-bit internal colour depth. Scanning is quick too, with an A4 300 dpi scan delivered in just 16 seconds. Easily scan and send high quality documents and detailed photos to cloud services such as Evernote and Dropbox using your PC. This scanner won't take up much desk space and looks great in any home. You can easily scan all types of documents - including books - thanks to an advanced integrated lid. Scan photos and documents with just a simple click using the Auto Scan button, which automatically recognises the original and optimises settings to match. You can also instantly create PDFs, copies and emails with a single touch using the dedicated buttons.

This scanner is just over 1 Year old and has had very little use. Selling for half.
