For sale I have my iPhone 7 32gb in Silver. The phone has a slight blemish on the top right hand corner which can be seen in the pictures. The phone is absolutely fine in terms of condition and working order aside from the stated. The phone comes with the box, charger and earphones. I bought the phone from Apple in march this year, but no longer wanting the phone due to my partner giving me hers as she has upgraded to the iPhone 8. I am able to deliver the phone if you live local, can deliver elsewhere at the cost of fuel. I am willing to listen to offers that are reasonable, wanting around £300 but again, I will listen to offers.
