I have the most beautiful F1B labradoodle puppy for sale. She was born 8/7/17 to a F1 labradoodle, KC Registered, five generation pedigree bitch and a Phantom standard poodle dog, 24 inches from shoulder to paw. Both parents have very sweet and loving temperaments, they are very playful, confident and intelligent family pets and this all shows in sweet little Rosie. She gets on brilliantly with other animals, she adores children, and loves a fuss being made of her as well as lots of cuddles! Rosie is crate trained, toilet trained and sleeps through the night. She is fine to be left for short periods of time by herself, travels well in the car and walks on and off the lead, she also has great recall. Rosie does not mult, (which makes her perfect for families that have asthma or allergies to hair but really want pets) however she does require frequent grooming. Rosie is fully vaccinated, microchipped, vet checked and has had worm and flea treatment. Due to unexpected circumstances I'm looking to sell this precious little girl to a new 5\* forever home and family that can give her the time, attention and space she deserves! Please please please, no breeders and for any information please feel free to call me! Thank you for!
