

GARDEN TABLE - VINTAGE - WROUGHT IRON amp WOOD (35 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-553307-z>

This vintage table has a very decorative wrought iron frame and slatted wooden top. The table is approx 120 cm long x 75 cm wide x 70 cm high.

Both the top and frame require some TLC, but this is an ideal project for restoration or upscaling. For example, the ends and frame could be sandblasted/repainted, and the slatted top could be replaced with marine ply covered in decorative tiles.

NB: Buyer is to arrange.
