I am a friendly, qualified maths teacher available for tutoring KS2/3 GCSE or A Level. I also offer private tuition in French (KS2/3) and History for students KS3 up to A level in Brighton.

Week day evenings, weekends and intensive holiday sessions. Regular sessions or a short series of lessons to help your daughter/son to enjoy her/his maths lessons at school by being successful.

I hold the following qualifications:

- PhD in educational sciences
- MPhil in Health Psychology
- Bphil in Child Psychology
- A level Maths
- Certificate in Principles of Working with Individuals with Learning Disabilities

I have international experience as a teacher (U.K., Switzerland, Italy, Spain).

My goal is to make lessons, meet students' needs so that they find that maths can be easy. If your child is lacking in confidence then some tutoring can get her/him back on track. I charge £15/hour.

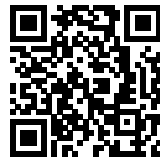

I have extensive experience of tutoring, I speak English, Italian, Spanish, French and have a DBS.

Also taking bookings now for September.

If interested please feel free to contact me.
