For Sale:
 A unique Antique Solid Oak Vintage Sideboard Circa 1930 in excellent condition.
 Made by Porters of Derby (metal factory badge inside left had cupboard door)

A very desirable piece of furniture, recently refurbished, with all of the character and quality associated with an early 20th century piece of oak furniture. The unit has cupboard storage, two doors on cast iron hinges and two drawers. All doors with solid wood button pull handles (all handles black as hinges). Sideboard is currently used for a vintage record player (not included!) and has plenty of space in the cupboard to hold around 300LPS (at least). This is a one-off piece of quality furniture.
 The overall size of the unit is: 1060mm wide x 440mm deep x 770mm high.

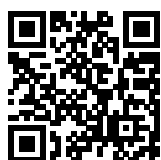

Price £300.00

IMPORTANT: Please note this item must be collected only. I have a 5-door fiesta hatchback and with the seats down, I fitted this in the back (with hatch let partially open/secured). If would suggest you bring cushions/blankets to protect this piece of furniture.

Record player and contents of unit are not included in this.
