High Street Fashion Jewellery Job Lot - ideal for new or existing business (1,600 GBP

Location South West, Avon https://www.freeadsz.co.uk/x-553373-z

Over 2000 earrings, 1100 necklaces and 500 bracelets all brand new in varying styles and amounts for both adults and children. From funky fashion earrings to pretty nickel free necklaces, there is something for everyone in this job lot. Ideal for someone wishing to start up or replenish their existing fashion jewellery business, be it a market/festival stall, online or jewellery parties. Or, for a business wanting to expand their range to include jewellery.

Also included are item display stands, printed paper bags (over 900) and organza gift bags in various sizes and colours (around 5000). I have stock checked / counted the best I can; please ask to see a spreadsheet detailing quantities and item descriptions. Some of the packaging needs replacing. Item quality and style varies but it is all extremely sellable.

Images of a small sample of the jewellery are attached, however, this is just a fraction of what is available. For someone willing to put the effort in, this could be a thoroughly financially rewarding business project from a very reasonable investment.

The original owners had a profitable market jewellery stall with the stock and sold it to me when retiring. I have been working on another business venture and simply do not have the time or space to continue with this, hence the bargain price. Nearest offers welcome. Please feel free to email me with any questions. Pick up only (from central).
