Clearance stock now available. We have premium bathroom accessories ranging from gold mirrors to shower heads. We deal with manufacturers directly and allow you to purchase small quantities.

Usually, an order of £30,000 is required from the manufacturer. We allow the option to take the same products, at a lower price, but in smaller quantities.

This stock is ideal for people who own or are looking to start an eBay or e-commerce store or anyone who partakes in car-boot sales & markets.

This is premium stock at clearance prices with huge profit margins.

We have a small-scale minimum order but when you order in larger quantities, we'll add free items to your order as a goodwill gesture. Pick and choose what items you'd like. New bathroom stock is added to our stocklist every month and we can also cater to specific orders.

If you're interested in what we have to offer, feel free to contact us via email or telephone for our latest stocklist file.
