Only 2 beautiful Havanese puppies left, both boys. They are Hypoallergenic and non-shedding and therefore are great for people with allergies. Mum and dad are both family pets and can be seen. The puppies are pure Havanese and from an extremely good blood line. Reared in a loving family home and used to children and other animals. The puppies are ready to leave. They are fully flea treated and de-wormed, have had their first injection and are microchipped and come with 4 weeks free insurance. Viewing.
