

Fix I.T. Computer Services

Location **Wales, Dyfed**
<https://www.freeadsz.co.uk/x-553884-z>

I offer a local, reliable and friendly service to all three counties in West Wales and further! Laptop or desktop computer running slow? Think you may have a virus? Getting lots of ads and unwanted messages always popping up? Or, do you have a problem that needs solving? Not only do I perform repairs, I also offer maintenance contracts for businesses, also sell laptops, desktops, networking equipment and much!
