

EGR vales cleaned , and Diesel Particulate Filters, (DPF) regeneration, cleaning. INTE

#egrWizards

**Latest technology for all
makes and models of modern car.
DPF filters regenerated**

Professional computer equipment,
rates much lower than
franchised dealerships..

DIAGNOSTICS

Location **London, London**
<https://www.freeadsz.co.uk/x-553926-z>

If you need a mobile car mechanic, we are experienced in all aspects of repairs and servicing on petrol and diesel cars and vans - and specialise in EGR valves, Diesel Particulate filters, and Full Engine Management System programming and diagnostics.

We clean your Diesel Particulate Filter to specifications set by the original manufacturers.

Amazing power increases after EGR and DPF cleans.

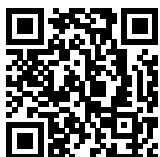

Huge savings over Main Dealer rates and High Street garages.

Hassle free mobile service.
