Standard Poodle male for sale. Outstanding black boy who is bred by me. Both parents here to meet. Dad is my beautiful blue boy and Mum is my wonderful silver girl. He is Pinafore SEABISKIT bloodlines on both sides, KC Registered, vaccinated & microchipped. Very well socialised with all animals and is part of our dog family. Loves traveling in the car, beach and woodland walks etc
I was going to keep him as my next up & coming stud dog but sadly due to my health have had to consider parting with him to the right Home only. He has a fantastic nature and conformation. For more information & viewing please contact.
