I have a large collection of Indian Fashion Jewellery that I have imported from India for sale. They range in price from £1 to £3 each and you can select a mix of them. I can offer you £100 worth of retail value for £80 or you can buy just one piece or a couple. It is your choice.

I do already have a few students buying in bulk and then selling them to their friends and family at retail prices. Good side business to do in your free time also.

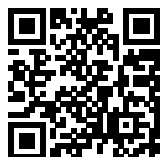

Items consist of ear studs, earrings, pendants, necklace, payal (to wear on legs), nose rings, chain, hair band, bracelets, etc. Most items have american diamonds and hence look like high end jewellery.

Check them out. The items are available to collect from Harrow or we can make a Job Lot of £80 (£100 worth of goods) and deliver them to you at your location for cash. London Based.
