

Antique strong boxtrunk 19thc (140 GBP)

Location

Northern Ireland, County Durham

The strong box measures approximately 75cms wide by 55cms deep and 550cms in height.

It has had something heavy inside it since we have had it, and a reply to this ad will encourage us get it into a locksmiths and have him open it as we'd hate it to be a bar of gold or something.
