Antique strong boxtrunk 19thc (140 GBP)

Location Northern Ireland, County Durham https://www.freeadsz.co.uk/x-555677-z

The strong box measures approxiamately 75cms wide by 55cms deep and 550cms in height. It has had something heavy inside it since we have had it, and a reply to this ad will encourage us get it into a locksmiths and have him open it as we'd hate it to be a bar of gold or something.
