For sale is a black pug puppy with a slight white bit on his chest. Mum is black and my family pet , dad is fawn he's my friends male both can be seen if asked before hand to arrange dad to be here. Pup is a singleton and hes thriving because he's the only pup so getting all the milk he's been weighed morning and night and gaining weight well. He will have all the necessary vet checks, worming and fleaing before he leaves will also be microchipped. He's a cracking pup with a beautiful face and lovely nose roll such a bruiser will mature into such a lovely boy. Both parents are kc reg but pup won't be registered. He won't be due to leave till December the 10th just wanted to make sure I secure him a perfect home early on so u get to see him grow up. Looking for £100 deposit to secure.
