I'm looking for another me! Someone who will love, look after and treat by two boys like their own. I have a 14.3 adorable Andalucian and a 14.2 Sheik Obayed Arabian who is a real gentleman in every way and is a safe light happy hacker. Both horses are in their mid teens and fit & healthy. I have had both from 3 year olds. I work full time and am looking for someone to share with their care and riding. I'm looking ideally for a mature adult to help out mainly during the week, unless you are a younger person with good experience and commitment. Can be flexible on days etc. Contribution towards keep. Friendly, supportive yard based on a farm, lots of really good off road hacking available and use of a sand school. Would suit a confident knowledgeable individual who wants to take it easy around the countryside. TN14 area Please call or message me to discuss further. Sally - 07977 069085 07977 0690...(click to reveal full phone) .
