This is a quality dressing table made by Stag Furniture in solid wood. The deep mahogany colour can be seen in the photos, which also show that it is in very good condition overall, with only a few marks on the top. I have tested the drawers, and they all slide in and out smoothly. If the mirror is not wanted, it can easily be removed, leaving the six drawer chest. The dimensions are 42 ins (107cm) long x 18 ins (46cm) wide x 28 ins (71cm) high. The mirror is 24 ins wide x 21 ins high, and now that I have polished it up, is near perfect. Asking £40 ono. Buyer collects, or I could deliver it at fuel.
