Dan Pullen Hire & Haulage is a small family run business, that is offering competitively priced professional road haulage services.

We currently have one lorry that is ready to complete all jobs efficiently and on time.

We run a 26ton Hiab Lorry with a flatbed, beavertail and winch which is capable of lifting up to 4.5ton.

We go by 'lifted and shifted' so if it can be lifted it will be shifted and below are some of the areas we cover:

Construction haulage Containers Machinery Hazardous Goods (ADR)

We are based locally at UBF Industrial Estate, Westcott, Aylesbury.

I hope this will be of interest to you and should you have any questions or wish to discuss prices, please contact Dan Pullen on 07880507925 078805079...(click to reveal full phone number) .
