

# Upright Vacuum Cleaner For Sale - Hardly Used - Handy For a Flat (50 GBP)

Location **East Midlands, Nottinghamshire**  
<https://www.freeadsz.co.uk/x-556732-z>

We're emptying a storage unit - we moved house and don't need our vacuum cleaner, we share a house and already have one.

Red upright hoover, dyson-style bagless. Simple attachments, crevice tool and brush head. Really easy to clean. Was over £80, bought new 2016. Perfect working order, a bit scratched underneath. Wouldn't recommend dragging it over bare floorboards!

Need a quick sale as we need to empty the storage unit asap.

Sorry about the lack of model info and image, it's still tucked in storage. Contact us if you're not fussy about what it is and you just need an urgent basic vacuum cleaner! Genuine buyers only, we're not wasting time if you're not buying on the day. We can't deliver it, as we have no car, but it's dinky and comes apart.

Email me for information, as we're not broadcasting the location of the unit. We'll meet there, cash payments only.
