Location **Scotland, Kirkcudbrightshire** https://www.freeadsz.co.uk/x-556783-z

Brand new in box white LG True Steam D1484WF dishwasher,

This was supplied to me as a replacement for my old dishwasher under a maintenance plan that I have. As we were in the process of moving home to a house with an integrated dishwasher, I did not even open the box. It comes with a 2yr manufacturer's guarantee and retails for about &pound.
