

# Wheels for a disabled dog (100 GBP)

Location

Northern Ireland, County Durham

<https://www.freeadsz.co.uk/x-556785-z>

wanted! I need some wheels for my 13 year old staffie. His vet says after a fall down some steps he thinks his spinal cord is nipped and his back legs don't work. My staffie ozzie is about 24-26 kilos. So we need to get him mobile as quick as possible.

does anyone have disabled wheels to support his back legs??  
tried on the Internet but they are very.
