Top 50 local citation sites for the US

Local search means more than a presence on Google+ Local, Facebook and Bing. Allowing customers to find you means building a presence on local citation sites and directories, both general and niche to your business.

This list of the top 50 local citation sites in the USA gives a great foundation to your local listing optimization!

Sites were selected based on a range of criteria –

Domain Authority (i.e. their ranking power) Generic Sites (i.e. businesses in all categories can get listed on them) Active Sites (i.e. they're still in business) Accept New Listings (i.e. not closed business lists) Citation Sites for USA, UK, Canada & Australia

We have divided this list into 4 countries so that businesses & SEOs based in each country can access a set of business listing sites that works for them & their.
