two double beds (4'6"), one black faux leather, one red faux leather. used for 18 months. Originally had thin wooden slats as mattress support but didn't last long with young adults using beds. Beds will come with newly bought pine slats - substantially stronger and more robust. Slats will need securing to frame. Red bed frame has slight scuff on bottom edge. Red frame £70. Black frame £80. Buy both for £140. Picture shows bed like black framed bed - no mattress. Red frame is exactly same design as black.
