

Yamaha YZF 750 Racing Bike (600 GBP)

Location South East, Berkshire

https://www.freeadsz.co.uk/x-557177-z

The bike is a YZF 750

It has it's original 4 cylinder 4 stroke 750 cc engine in very good condition.

The ignition is a simple switch, the road lights and electrics have been removed.

It is not road registered. No V5

I have receipts for £300 for work to the bike after it was last used.

It has only been used for a few track days.

The clutch needs bleeding, but otherwise ready to ride.

The tyres have done one track day, and the break pads are new.

Bike is NOT a runner, possible flat battery or spark plugs.

Viewing welcome in Basingstoke Hampshire
