

Wedgwood Jasperware Annual Christmas Plates. Complete set 1969 - 1988 In original

South East, Surrey Location https://www.freeadsz.co.uk/x-557753-z

Complete set 1969-1988. Never been displayed. Looked at and put back and stored ever since. Box design and leaflets changed in 1977 and again in Early 80s. In 1978 stands were added to the packaging. They have never been used so I guess they are.
