### Factory Description

Specialized's Dolce Elite provides a light, easy ride you'll love! Its women's-specific E5-aluminum frame with FACT carbon seatstays and precision carbon fork give you an excellent combination of comfort, speed and razor-sharp handling. The Alex rims laced to Specialized hubs effortlessly sail over the pavement and Shimano's 27-speed drivetrain means you always have the optimum gear at your disposal. Plus, the Dolce comes with a smattering of Specialized's industry-renowned women's-specific.
