The iPhone 8 Plus comes with a 5.5 Super Retina HD display employing the first OLED screen that rises to the standards of iPhone with durable glass front and back and surgical-grade stainless steel, wireless charging and water and dust resistance. The cameras are calibrated for augmented reality, the new Portrait Lighting feature comes standard, and videos can be recorded in Ultra HD. It also takes advantage of modern technology, utilising wireless charging. All this is made possible by the A11 Bionic, the state-of-the-art technology with a neural engine, faster CPU and adaptive recognition. Now compare iPhone 8 64GB Gold deals and find the best.
