Beautiful wedding photos that capture every moment of your special day.

I am Alice, specialising in arty wedding photography, in love with nature, adventure and people. My approach is alternative and unique, combining vintage elegance with a natural and creative style. Based in York, I will be excited to follow you and your story wherever it might take you.

Great wedding pictures are all about catching the emotions and the right moment. These are the images that become more and more precious with time. I always put effort into telling the story of your wedding day.

I charge £300 for a 6 hour shoot, or £600 for as early/late as you need

- One photographer for the full duration of the day
- A pre wedding consultation
- Around 400-600 edited pictures delivered on a USB
- A private online gallery

You can also find me on Facebook "Your Memories Photography"

Whether you will be getting married in a natural park, at the top of a mountain, on a tropical beach or in your home town, I cannot wait for you to burn my ears off with your plans for the day!
