UNDER SINK BATHROOM CABINET BRAND NEW BOUGHT TODAY

we have just bought this today and put it together. Unfortunately we cannot use it as our sink isn't central in the space for the unit. we are going to see if we get anyone interested in buying this before we take it back for refund. Just want what we paid for it. It has a choice of two different door handles. Whoever buys this has the added bonus of it already being put together.

60cms wide (side to side) x 60cms high x 30xm deep (front to back)
