Immaculate 32" flat-screen Polaroid HD Ready LED TV for sale in Banstead. Can be seen working. Any test welcome. No canvassers or timewasters please. Local delivery may be possible. The TV has:

- original box/manual/remote/stand/leads/mains adaptor
- brilliant picture quality
- 3x HDMI inputs
- 1x USB input (also has USB recording! Great for saving programmes onto a USB stick to watch later)
- Freeview HD
- DTS surround sound

- Built in EPG (Electronic Programme Guide, i.e. see what's on tv for the next 7 days, using the tv remote)

It's a very lightweight & great value TV. Since upgrading to a larger TV, I no longer need this one. Originally purchased from Asda in Burgh Heath last year.
