

Floor Sanding 20 per Sqm

Location **East of England, Suffolk**
<https://www.freeadsz.co.uk/x-558982-z>

From £20 per Sqm

We are specialists in Floor Sanding and Restoration of new and old wooden Floors

Whether you want a complete sand or a scrub and seal (a cleaning process does not involve a full sand) we can supply and carry out all aspects of work

The process is very efficient and with today's technology it is 95% dust free, Not 100% as some may claim. This is impossible. The whole process for a typical house can take between 1 -3 days depending on size. Please look at our FAQ section for further information. We only use the best lacquers on the market, tending to use water based ones for domestic and spirit based for commercial property due to the fumes

One Year Guarantee

All the floor we sand come with a years guarantee and we also give you free a cleaning kit and cleaning regime to keep the floor looking in its best condition, as the problem is always too much water during cleaning.
