Hello. I am a physiotherapist with experience. I can take care of You for few hours a week. I would like to do gymnastics with You, or I will do a massage :) Besides, I can cook your dinner, come out with You for coffee. I am an active person. I very like of walking, spend time in outside. I am hardwork, accurate, empathetic. If You need it, I'll clean your house or garden without any problems :) If you have questions, please write.

Only in.
