At [www.acespowerclean.com](http://www.acespowerclean.com) we offer a wide range of cleaning services at low costs.

As an example:

1)

If you wanted your driveway cleaned, up to 20 Sqm, we would charge you £2.00 per square meter. This is normally £2.50 sqm.

Sanding and treating the driveway is then the cost of sand and treatment materials and £0.50 sqm.

2)

Your oven needs cleaning. We steam and clean any surface food related with detergents that are food safe. An oven or a fridge would cost £30 for a deep clean.

Maybe you are a landlord who has a tenant about to leave a property or you are selling a property and it needs to be cleaned or emptied. Whichever you need give us a call and we will help you sort it out.

We carry out various commercial cleaning projects as Well. We can wash car parks, schools, new builds, warehouses and so much more.

WHY NOT GIVE US AN OPPORTUNITY TO IMPRESS YOU WITH OUR SERVICE. WE ARE ENHANCED CRIMINAL RECORD CHECKED AND MEMBERS OF THE FEDERATION OF MASTER CLEANERS.
