Aquilegia is a perennial plant flowering from late Spring to early Summer. Also known as Granny's Bonnets or Columbines.

I have a number of these plants that I have grown on that are surplus to my requirements. They are the McKana hybrids that grow up to 75cms tall.

I can send out 3 of these plants by first class post with the plants trimmed back and bare rooted for £7.00 inclusive of postage and packing.

This delivery method will require the plants to be unpacked and planted up in pots or in the garden and watered in immediately on receipt.

I can accept payment by PayPal or by Faster Payment bank transfer.

At present I also have seasoned hardwood wood logs for sale at £45.00 or £55.00 for a jumbo bag (approximately one cubic metre), collection only, please contact me for more information or see my other adverts on this.
