I am a qualified lash technician, specialising in lash extensions, lash lifts and tinting. I've been practicing bridal make-up for the last 4 years. I've only recently completed my training and I'm looking for case studies for lash lifts and eyelash extensions. The treatment will therefore be completely free of charge. This is mainly for use on my portfolio. I am fully insured and will be required to carry out a patch test prior to the treatment.

Please do contact me further if you require further information, or you would like to book an.
