

## 2x Sofas and 1x Poufe for Sale - West London (200 GBP)

Location **London, London**  
<https://www.freeadsz.co.uk/x-559319-z>

Two large Sofas and a Poufe for sale to move urgently.

Sofas are quite used, but still extremely comfortable and the Poufe is like new.  
Some zip damage on the sofa cushions but it doesn't affect the comfort and is hidden from view.

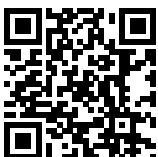

Would like to get rid of all pieces together, but a large van would be needed to collect even a single sofa.  
They are also quite heavy, so at least two strong people will be needed to remove them.

£200 for all items together

Or if separate...

£100 for each sofa
